Early Childhood Education

Would you like to earn college credits for not only academic classes, but also your career tech program?

Did you know ECE student can become more than preschool teachers? Students who are interested in becoming elementary teacher, social worker, and pediatric nurses succeed in this program.

Develop a professional portfolio that documents your training and experience and makes you immediately employable upon graduation.

Get the chance to ear top honors at the Family, Career and Community Leaders of America (FCCLA) State Leadership Conference which qualifies you to compete at the national level.

Earn college credits through College Credit Plus with our college partner, Rhodes State College.

Master These Skills:

Choosing & Creating Play Materials
Computer Applications in Early Childhood
Health & Safety for Children
Infant & Child Nutrition
Leadership Development
Observation & Documentation
Activities/Curriculum
Positive Guidance Techniques
Principles of Child Growth & Development
Using Multimedia Technology
