Dear Vantage Career Center
Board of Education,

Thank you for the generous
donation to the Parkinson's
Foundation in memory of
my mother, Connie. Your support
means so much to my family, and
it's a beautiful way to honor her
legacy. Your kindness will help
further the work being done to
raise awareness and find a cure.

Thank you again,

Tonye Temple
& family

During a time
like this
we realize how much
our friends and relatives
really mean
to us....

Your expression
of sympathy will always
be remembered
