FIREFIGHTER I

Firefighters continue to be in high demand, especially in rural/volunteer areas. Seventy percent of firefighters in the United States are Volunteers. These training courses will prepare individuals to serve their local communities, as well as provide a solid foundation to further their training as career/paid firefighters. Firefighter Program currently offers Firefighter I. The Firefighter I class is a minimum of 160 hours. The Firefighter I classes require that students complete an Emergency Vehicle Operations Course (EVOC) of 16 hours and a basic first-aid/CPR class of 8 hours to obtain their final certification. Contact us if interested.

Students who have completed an EVOC course within one year of the start date of the Firefighter class and have a certificate will be excused during that portion. Students who possess a current Emergency Medical Technician certification will be excused from the basic first-aid/CPR portion. Students who complete these classes will receive a certificate and are eligible to take the Ohio Department of Public Safety Division of Emergency Medical Services certification exam for the appropriate level of Firefighter.

BASIC QUALIFICATIONS

Must be 18 years of age, except that a chartered fire training program may admit a student who is 17 years old provided that the student has graduated or is enrolled in the twelfth (12th) or final grade in a secondary school program. Applicants shall have not been convicted of any of the following: (1) any felony; (2) a misdemeanor committed in the course of practice; (3) a misdemeanor involving moral turpitude. Applicants shall have not committed fraud, misrepresentation, or material deception in applying for or obtaining a certificate issued under section 4765.55 of the Ohio Revised Code and Chapter 4765-20 of the Ohio Administrative Code. All applicants must complete the WorkKeys assessment with a minimum of “4” in each area and will also need to complete a background check. Firefighter I applicants must obtain an NFPA 1582 compliant physical. All applicants must complete the ICS 100 and National Incident Management (NIMS) 700 course prior to start of class.

AGRICULTURE FINANCIAL
MANAGEMENT & CAREER SERVICES

AG BUSINESS PLANNING & ANALYSIS
This program is designed to assist farmers improve their financial management and business operations. Goals for the first year are:

• A balance sheet with beginning and ending inventories
• Crop cost of production
• Income tax estimate

Second and third years will cover balance sheets and learning how to borrow money, investing in land and other investments. Farming will be compared as a business similar to Ford and Apple. The class will also work with financial ratios to help evaluate past performances. Agronomics is not covered in this program. The class consists of 12 classes per year for three (3) years. Classes meet from late November through early April.

COST: $350/year

COMPUTERIZED ACCOUNTING FOR FARMERS
Financial records are very important for farmers. Not only are they necessary for the IRS, but for farmers to make decisions on what enterprises are the most profitable, Vantage Career Center offers a computer program (The Agricultural Business System TABS) that can perform these functions accurately. TABS will be loaded on your computer so that you have accurate records at your fingertips. You do not need to know accounting to use it. You have unlimited instruction at your farm office the first year. After that, phone assistance is free and farm office visits are available. TABS provides 1040F tax reports, balance sheets for lenders, bank reconciliation, depreciation, and payroll with all payroll reports including W-2s. TABS is being used by nearly 100 farmers in the area.

COST: $350 for installation and first year support. Yearly support varies as to farm office location and services desired. Similar programs cost $1,000 to $2,000.

CAREER ASSESSMENT SERVICES & CLASSES
The Assessment Center at Vantage Career Center is an authorized test administration facility for a number of career-related certificates and credentials. Our assessment services provide potential students and other test candidates the opportunity to complete a variety of exams through vendors such as Pearson VUE™, Certiport, Castle/Scantron, and others, in a comfortable, local environment.

WorkKeys® assessment results can assist students, educators and industries by identifying skills needed for success in adult career-technical training or workplace settings. Performance on the WorkKeys® may also qualify the individual for the National Career Readiness Certificate (NCRC), an industry-recognized credential based on documented benchmarks and skills.

Schedule an Appointment: Prospective students interested in Vantage adult programs may call (419) 238-5411 Option 2 for more enrollment information and to schedule an appointment.

COST: Re-testing fee is $15 per section. For other individuals or employers requiring WorkKeys assessments/credentials the cost is $75.

FINANCIAL ASSISTANCE
APPLYING FOR FEDERAL FINANCIAL AID IS FREE.

FEDERAL GRANTS: PELL & FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT

The federal government provides grants for students attending college or career school. Most types of grants, unlike loans, are sources of free money that generally do not have to be repaid. Pell and FSEOG grants are awarded to students based on financial need and who have not earned a bachelor’s, graduate, or professional degree. The amount you get will depend on your expected family contribution (EFC) determined from the FAFSA, your cost of attendance, and the number of clock hours in your specific program. To apply, complete a Free Application for Federal Student Aid (FAFSA®). Vantage Career Center’s Federal School Code is 030956.

FEDERAL STUDENT LOANS: DIRECT SUBSIDIZED & UNSUBSIDIZED LOANS

Direct Subsidized Loans are loans made to eligible students who demonstrate financial need. The government usually pays your interest while you are enrolled at least half-time in school plus the six month grace period or deferment periods.

Direct Unsubsidized Loans are not based on financial need. Interest begins accruing on this type of loan immediately when disbursed by the school.

The financial aid office will determine loan amounts based on dependency status, program length and cost of attendance for your specific program. To apply, complete a Free Application for Federal Student Aid (FAFSA®). Vantage Career Center Federal School Code is 030956. A loan is money you borrow and must pay back with interest.

FEDERAL PARENT LOAN: DIRECT PLUS LOANS

The parent(s) of a dependent student may borrow a Federal PLUS Loan provided the student is otherwise eligible for aid. PLUS Loans are unsubsidized so parent borrowers are responsible for accruing interest from the date of loan origination. Additional requirements and the Parent PLUS Loan application can be found at studentaid.gov.

VETERAN’S EDUCATIONAL BENEFITS (VA)

Available for qualified veterans or dependents of a veteran to use towards tuition expenses for approved programs. To find out if you qualify for VA Educational Benefits, contact the VA at 1-888-442-4551 or online at www.gibill.va.gov.

OPPORTUNITIES FOR OHIOANS WITH DISABILITIES (OOD)

This agency may be able to provide funding for individuals with disabilities. To see if you qualify, call 1-800-589-5811 or visit their website at www.ood.ohio.gov.

SCHOLARSHIPS

Robert Brandt Scholarship is available to any Vantage Career Center adult education graduate or Vantage Career Center high school graduate.

Vantage Career Center Scholarships are available for Vantage high school students who just graduated from high school the prior year.

Details and applications are available on the Vantage Career Center website under the financial aid page.

OHIO MEANS JOBS/JOB & FAMILY SERVICES

This agency can potentially provide funding through various sources for underemployed, single parents, economically disadvantaged, dislocated workers, and other special needs individuals. Contact the office where you live for further information.

These offerings are not accredited by the Council on Occupational Education and do not qualify for Title IV financial aid assistance.
