ATTENDANCE INFORMATION

In the State of Ohio, every child of compulsory school age is required to attend school, unless excused in accordance with law. See Ohio Compulsory School Attendance Laws Sections 3321.01-3321.04. Student attendance is the responsibility of the student and parent/guardian. The school's responsibility is to provide classroom and laboratory instruction for each student. Excessive absences disrupt the continuity of the learning process. In a career-technical school, hands-on lab experiences missed due to absence are difficult to learn without the hands-on experience. Students who have good attendance generally achieve better grades and are more employable upon graduation. For these reasons, a student must meet two basic requirements in order to earn credits: (1) satisfy the academic requirements for each class and (2) satisfy the attendance requirements of the school.

STUDENT ATTENDANCE POLICY

The Attendance Office provides the student with attendance information. A student must establish a pattern of good attendance in school and in the workplace. Attendance is important for graduation and the development of a high-quality work ethic, which will be a significant factor in a student's success with future employers.

The parent or guardian must report each absence unless it is determined by the school that the student is a legally independent student. Students may not write an excuse note, or early dismissal request for themselves. Each Vantage Student is **required expected** to maintain a rate of attendance of 95% or higher, for the entire school year. Failure to meet these qualifications may result in penalties listed later.

ABSENCE CALL IN PROCEDURE

Parent/Guardians are required to call the Attendance Office at 419-238-5411 or 1-800-686-3944 to report a student absence or tardy, before 8:~~20~~ 17 A.M. Parents can leave a message twenty-four (24) hours a day, seven (7) days a week following the voice prompts. Parents may also report through e-mail at attendance@vantagecareercenter.com or use the absence-reporting link on the school website. If a parent does not report a student absence during the school day, the Attendance Office will attempt to contact you. ***Students must submit a written note to the Attendance Office upon return to school.***

Students should plan to provide formal documentation for excused absences (doctor's note, court documentation, etc.) whenever it is available. Beyond formally documented absences, a written note or call-in from a parent or guardian may be accepted as documentation for an excused absence up twelve (12) times in a calendar school year. If a student reaches the maximum of 12 parent or guardian documented excused absences in a semester, he or she must provide formal documentation or the absence may be considered unexcused. Students with excused absences will have the same number of school days in which to make up the work missed, as the number of days of excused absences.

EXCUSED ABSENCES

Students with excused absences are solely responsible for obtaining and making up any schoolwork missed. Students will receive credit for assignments completed in their classes during their absence if make-up work is submitted within the allotted time (typically 1 day for each day absent). Students suspended out of school must contact their teachers. Students must complete homework during the suspension unless other arrangements are made by the teacher. Assignments need to be turned in promptly upon return to school.

Excused absences should meet one (1) or more of the following conditions:

1. Personal Illness
2. Illness in Family
3. Quarantine of the Home
4. Death in the family
5. Observance of a Religious Holiday
6. Medical Appointments
7. ***Superintendent's Discretion such as Military Preparation, College Visits, Career Planning, Legal Issues, Leadership/Extra-curricular Activities and the like.

***Additional paperwork, limited visits, and verification procedures may apply for discretionary absence requests. Students must be in good standing in terms of grades, attendance, and discipline in order for these absences to be excused. Please see attendance office for further information.

*****Students and parents/guardians must provide reasonable advance notice** (generally two days) to the attendance office to allow teachers time for planning, or absences may be considered unexcused.

Students who were absent from school must submit the required written note or other documentation to the attendance office within a reasonable amount of time upon return from any absence or the absence may not be considered excused.

UNEXCUSED ABSENCES

Unexcused absences usually consist of, but are not limited to, one (1) or more of the following conditions:

1. Truancy – No Note
2. Needed at home
3. Oversleeping and/or missing the bus.
4. Car trouble of any kind or delay caused by a train
5. Running non-emergency errands of any kind
6. Babysitting
7. Not following proper procedures outlined in handbook
8. Other circumstances, which constitute an Unexcused Absence, will be at the discretion of the Attendance Office.

UNEXCUSED ABSENCES AND CONSEQUENCES

Employers tell us poor attendance and poor attitude are the top reasons why employees are terminated from work or are not employed to begin with.

There are consequences for not following the Vantage attendance policy. In addition to the impact on grades, some other consequences may include:

1. School conferences with student and/or parent/guardian
2. No credit for schoolwork missed on day of unexcused absence. Students may be allowed to take, and receive credit for, exams and tests covering multiple previous days.
3. In School Discipline Assignments
4. Notification to Juvenile Court of a student's truancy
5. Notification to BMV by our Superintendent asking to revoke a student's driving privileges.
6. The Administration immediately revoking a student's driving privileges only to Vantage for the remainder of the semester or the remainder of the school year.
7. Intervention Team Meeting to plan and /or discuss placement options

KEEPING PARENTS INFORMED ABOUT STUDENT ATTENDANCE

1. Parents can track student attendance using Progress Book or by calling the Attendance Office. Our goal is to notify parents of any student who is absent without prior notification from a parent or guardian. Again, please call and report your child's absence from school as soon as possible.
2. After a student misses 38 hours in one school month and/or 65 hours in one school year

OR

After a student misses 30 consecutive unexcused hours, 42 unexcused hours in one school month and/or 72 unexcused hours in one school year, the Attendance Office will notify parents via letter. In addition, an invention strategy or attendance intervention plan may be developed.

Intervention strategies may include all of the following actions:

1. Providing a truancy intervention plan for any student who is absent from school in an amount that surpasses the threshold for habitual truant;
2. Providing counseling for a habitual truant (current law);
3. Requesting or requiring a parent, guardian or custodian to attend a parental involvement meeting (current law);
4. Requesting or requiring a parent guardian or custodian to attend a truancy prevention medication program (current law);

5. Notification of the Registrar of Motor Vehicles (current law); and

6. Taking legal action (current law).

The district is not required to include in the policy as an intervention strategy the assignment of a habitual truant student to an alternative school.

VACATION POLICY

Although it is preferable that families take vacations during the summer or non-school days, students who go on vacation with their parent/guardian during the school year are required to fill out a vacation form located in the Attendance Office. Families must give reasonable advance notice (generally 5 days) to allow time for teacher planning, or the absences may not be excused. Students must be in good standing in terms of grades, attendance, and discipline. Students are responsible for obtaining and completing missed work and that work is expected to be completed when the student **RETURNS** to school from their vacation absence. Vacations planned during the last week of each semester or during State-mandated Testing weeks may not be excused. Please contact the Attendance Office if you have questions. Example vacation reasons include, but are not limited to going out of town for the holidays, deer hunting trips, and other family vacations.

COLLEGE AND MILITARY VISITATIONS

When students cannot schedule visits to campuses and/or military locations during the summer, weekends, or non-school days, students must arrange in advance with the Attendance Office for release from school activities and must be in good standing in terms of grades, attendance, and discipline to be eligible. Students must pick up forms located in the Attendance Office in advance of the scheduled visits to allow staff a reasonable amount of time to verify the student is in good standing and to assure parental consent. Once verified, Vantage will approve students to attend. In order for the absence to be excused, the students must obtain the signature of the college or military personnel that they met with, along with time of arrival and departure. Completed forms are to be returned to the Attendance Office after the visit. Students will be responsible for contacting teachers for make-up work and completing assignments missed during the absence. Students may not be permitted to make college and military visits during the last week of each semester and State-mandated testing week(s).

PROLONGED ABSENCES

If a student is unable to attend class or school for an extended period of time (usually considered more than five consecutive days) but is able to study at home, direct contact should be made to the Student Services office. If possible, Vantage will arrange for the parent/guardian to pick up missed assignments and develop a plan for the student to make up work missed.

MEDICAL APPOINTMENTS/OTHER EARLY DISMISSALS

When students enter Vantage property (building, parking lot, etc.) or active with a school activity, they are under the jurisdiction of Vantage until the end of the school day and must receive permission from the high school office or activity coordinator before leaving school property or activity. When a student must leave school to secure a medical service or other approved reasons, the parent/guardian must call or send a note to school with the student before 8:20 A.M. the day the student will be leaving school. When the student returns to school later that day or the next day, he or she is required to bring a note from the medical office as a verified formal excuse. The student with an early dismissal slip must sign-out on the register in the main office when leaving the building and must sign-in upon return. If possible, the student is to return to school after an appointment.

During the day, students who receive career training through a co-op learning experience or early placement will leave the building to go to their jobs. These students are required to sign in and/or out of the building in the main office.

FORGED NOTES OR PHONE CALLS

Forged/false absence notes are a violation of the Code of Conduct and may result in discipline to the student.

TARDY TO SCHOOL

Students arriving to school must be present in the Vantage building no later than 8:20 a.m. each school day (10:20 a.m., 2-hour delay). Students, who arrive after the 8:20 a.m. bell or are late to 1st period, must report to the main office to sign in and receive a pass to class. Tardiness is considered unexcused unless it meets the excused absence criteria. Students who are tardy to school or to any classes during the school day are subject to disciplinary action.

PERFECT ATTENDANCE

Students with perfect attendance during the school year may receive incentives for the quarter, semester, and school year, as determined by the Attendance Office. In school or out of school discipline assignments, or full or partial absences may disqualify a student from perfect attendance.

CERTIFICATES RELATED TO PARTICIPATION

~~Vantage Career Center students will be eligible to receive their Two-Year Certificate of Participation if they have completed two school years in a single career program.~~

~~Vantage students who change programs within the two-year span, will be eligible to receive a One-Year Certificate of Participation.~~

SCHOOL CALENDARS, CLOSINGS AND DELAYS

WEATHER RELATED DELAYS

Students are required to attend classes following the Vantage Career Center calendar. If your associate school district has a weather-related delay and/or weather-related cancellation, Vantage students from that district may delay the same amount of time as their associate school district. Each parent and/or student will have the opportunity to register their cell phone number with Vantage in order to receive updated information on school closings and/or delays. Vantage also uses our school website, social media (Facebook and Twitter), local radio stations, and television stations to post weather related cancellation and delay information. If Vantage Career Center is delayed or cancelled but your associate school district is not, students should follow the Vantage Career Center schedule. It is recommended that students take associate school provided transportation when available especially if schools are open but roads may not be totally clear.

OTHER ASSOCIATE SCHOOL DELAYS

Please remember, if your associate school district is delayed and/or closed for any reason other than weather related issues, **such as teacher in-service**, you are **required** to be at Vantage Career Center at the normal starting time when Vantage is in session. Associate school districts should provide bus service to Vantage Career Center from the associate school district. However, students may have to provide their own transportation if their home school district does not provide bus transportation on teacher in-service days. Absences would be considered unexcused on these days should a student fail to attend Vantage.

STUDENT CODE OF CONDUCT

Students are expected to observe and comply with the policies, rules, and regulations of the Board of Education and its employees, to maintain an appropriate educational atmosphere. Being responsible,

Any object that is used to threaten, harm, or harass another may be considered a weapon, this includes but is not limited to padlocks, pens, pencils, laser pointers, jewelry, etc.. It will make no difference whether the weapon belongs to someone else. It is every student's responsibility to inform any school employee of another student's possession of a dangerous weapon or activity. Security devices may be used to aid in providing a safe school environment.

If the violation involves bringing a firearm or knife to school, or possessing a firearm or knife at school, the Superintendent may expel the student for up to one (1) year. This expulsion may be reduced on a case-by-case basis by the Superintendent using the guidelines set forth in Board Policy.

A student suspected of drug use may be removed from school that day, and the mere odor of alcohol/drugs is sufficient for disciplinary actions. Be advised that canines are used to maintain a drug free campus. Students may be required to take a breathalyzer test for suspected alcohol. Refusal to take the breathalyzer will result in suspension and/or expulsion. Use, possession, or reasonable suspicion of drugs/alcohol will likely result in an out of school suspension **and could result in recommendation for expulsion**. Students who need to take or have access to prescription medication during the school day should follow the procedures as described in the “Health Services” section of this Handbook, or contact Student Services for information on the procedures including registering all prescription drugs with Student Services immediately upon entering school premises. Whenever a student is suspended or expelled from school in accordance with O.R.C. 3313.66 for the possession and/or consumption of alcohol or drugs, the Superintendent may notify the Registrar of Motor Vehicles and the Juvenile Judge of the county of the suspension or expulsion. After receiving such notification, the Registrar of Motor Vehicles is required to suspend the temporary instruction permit or driver’s license of the student who is subject of the notice. If a temporary permit or license has not been issued for that student, the Registrar is prohibited from issuing a temporary permit of license. Driving privileges may be restored once the Superintendent notifies the Registrar that the student has satisfied any conditions established by the Superintendent.

Rule Nineteen – Tobacco & Nicotine use, paraphernalia or possession

Rule Twenty-two– Harassment and/or Aggressive Behavior (Including Bullying/Cyberbullying)

The Board of Education encourages the promotion of positive interpersonal relations between members of the school community. Harassment and/or Aggressive Behavior including Bullying/Cyberbullying toward a student, whether by other students, staff, or third parties, is strictly prohibited and will not be tolerated. This prohibition includes physical, verbal, and psychological abuse, and any speech or action that creates a hostile, discriminatory, intimidating, or offensive learning environment. The Board will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. Individuals engaging in such conduct will be subject to disciplinary action.

Rule Twenty-three - Public Display of Affection.

Affection between students is personal and not meant for public display. A student shall not engage in public displays of affection. This includes but is not limited to touching, petting, kissing, or any other contact that may be considered sexual in nature. Sexual activity of any nature is prohibited.

Rule Twenty-four - Tardiness:

Being on time to school and class is the first step to helping ensure academic success and establish good work habits needed for the future. Students shall arrive at school for each of their assigned classes at the properly scheduled time and shall not violate the attendance regulations, attendance policy, class truancy, class tardiness or tardiness to school

Students shall not attempt to enter a district-owned vehicle, locker, classroom, lab, closed and/or restricted area without proper authorization. Unless so authorized, students shall not access or attempt to access a Board-owned computer, district, school or staff computer files, a school or district file server, or the Network.

Rule Twenty-seven - Driving/Parking

Rule Twenty-eight - Libel or Slander

No student shall commit libel or slander. Libel is defamation expressed by print, writing, pictures, or signs while slander is defamation by speaking.

Rule Twenty-nine - Manifest Disrespect

Every member of the Vantage community is deserving of respect. Failure to demonstrate respect towards students and/or staff is considered a serious breach of the Student Code of Conduct. A student shall not demonstrate manifest disrespect toward any other individual. Actions may include verbal or nonverbal disrespect, psychological or material abuse.

CONSEQUENCES

In determining appropriate disciplinary action, the ~~Dean of Students~~ Student Operations Supervisor, Career Tech Supervisor, or other school representative shall reserve the right in determining the degree of consequence for a violated policy. The following considerations may be applied:

1. Gravity of the offense, as it potentially affects the educational community, and the degree to which such conduct tends to interfere with achieving the objectives of the education process.
2. Whether the offense is a first or infrequent infraction, or one in a continuous series of offenses.
3. Whether alternate action, other than that which is otherwise considered usual and customary, would be in the best interest of the offending student and/or the school community in general.
4. Consistency in the administration of penalties and punishment for similar acts of misconduct.

Informal Consequences

Informal consequences take place within the school. As long as the informal consequence is served entirely in the school setting, it will not require any notice or hearing, or be subject to appeal. In the event the informal consequence occurs outside of school hours, it is the responsibility of the parent(s)/guardian(s) to provide transportation. Informal consequences may include but is not limited to:

- Parent/Guardian conference
- Verbal and/or written warning
- Written essays
- Full-Lunch Detentions
- In-School Discipline Assignments
- Loss of Privilege
- Removal of class or hold from class

Full- Lunch Detentions

School personnel can issue Full-Lunch Detentions to students for tardiness and inappropriate school behavior. Classroom instructors or other school personnel can issue a detention for student violations of the Student Code of Conduct or classroom rules. The student is responsible to serve the Full-Lunch detention the day it is issued or the following day. If the student does not serve the Full-Lunch detention, he/she is being insubordinate, and school personnel will take more severe disciplinary. Students may receive a maximum of Three (3) Full-Lunch Detentions before more severe disciplinary action is taken.

Students serve Full-Lunch Detentions for the student's entire lunch period. School personnel will give the Full-Lunch Detention notification slip directly to the student who must hold onto this slip. When their lunch period begins, the student will report directly to the ISD room E-07. The In-School Discipline Coordinator will escort students to the cafeteria to obtain their lunch, if eating. Students choosing not to eat will remain in ISD for the entirety of the assigned lunch period. Five (5) minutes after the start of the lunch period, the In-School Discipline Coordinator will close the ISD Room door, and not permit late students to enter the room. As a result, the student will eat their lunch in the cafeteria and be assigned an additional Full-Lunch Detention. Students will turn in Full-Lunch Detention slips to the Detention/In-School Monitor; if students lose or throw away the slips, they can expect more severe disciplinary action.

In-School Discipline Assignments

Students who fail to use appropriate behavior during school hours and/or off school property may be assigned to In-School Discipline Assignments. The **Dean of Students Student Operations Supervisor** or other supervisor will assign discipline as necessary to maintain a positive learning environment. The student must attend the day of the In-School Discipline Assignments assigned to them. An unexcused absence from school will double the In-School Discipline Assignments time or could possibly result in out of school suspension from school.

Students assigned an In-School Discipline Assignments (ISDA) must comply with the following rules:

1. Students must report at the scheduled time. If a student is late, he or she may be assigned an additional day of ISDA. Students must be in a seat, bring any known homework, work on the assigned work throughout the day, and remain quiet during the entire duration of the ISDA.
2. A student assigned ISDA should work to complete any work assigned by the In-School Discipline Coordinator as well as any assignments from classes missed. Students will have a reasonable amount of time to make up work for classes missed due to ISDA and will receive credit for work properly completed.
3. Students in ISDA will have a twenty-five-minute lunch period outside the time of the regular periods when serving a daylong ISDA. Students may purchase the lunch provided by the cafeteria with their own lunch account or pack a lunch. Students in ISDA will eat lunch in the ISDA room. If the student does not wish to eat the lunch provided, it is their choice. If the cafeteria is closed, students will need to pack a lunch.
4. Students who receive ISDA must be in their proper uniform and follow the uniform guidelines during their entire ISDA duration. If Vantage is having a special day, such as a jean day activity, the student is still required to wear their uniform and he or she cannot partake in the activities of that day.
5. Students must follow all instructions as directed by the In-School Discipline Coordinator or other staff.

If a student fails to follow any of above rules or policies of Vantage Career Center, he or she may be given additional In-School Discipline Assignments, or other disciplinary action may be taken.

Formal Consequences

Formal consequences involve the removal of the student from school. It includes emergency removal, suspension for up to ten (10) school days, expulsion for up to eighty (80) school days or the number of days remaining in a semester, whichever is greater, expulsion for up to one (1) school year for certain offenses, and permanent exclusion. Expulsions may carry over into the next school year. Any student who is expelled from school for more than twenty (20) days or for any period of time if the expulsion will extend into the following semester or school year will be provided with information about services or programs offered by public and private agencies that work toward improving those aspects of the student's attitude and behavior that contributed to the incident that gave rise to the student's expulsion.

Removal for less than one (1) school day without the possibility of suspension or expulsion may not be appealed. Suspension, expulsion, and permanent exclusion may be appealed.

Students being considered for suspension are entitled to an informal meeting with the building administrator prior to removal. Also, students being considered for expulsion are entitled to an informal meeting with the Superintendent or designee prior to removal. During the informal meeting, the student will be notified of the charges and given the opportunity to respond.

Students involved in co-curricular and extra-curricular activities can lose their eligibility for violation of the School rules.

If a student commits a crime while under Vantage's jurisdiction, s/he may be subject to school consequences as well as action through local law enforcement.

DUE PROCESS RIGHTS

Before a student is suspended, expelled, or permanently excluded from school, there are specific procedures that must be followed. As long as the in-school discipline is served entirely in the school setting, it will not require any notice or meeting, or be subject to appeal.

Suspension from School

When a student is being considered for an out-of-school suspension by the Superintendent, Director, or other administrator the student will be informed in writing of the potential suspension and the reasons for the proposed action. The student will be provided an opportunity for an informal hearing to challenge the reason for the intended suspension and to explain their actions. An attempt will be made to notify parents or guardians by telephone if a suspension is issued.

Within one (1) school day of the suspension the Superintendent, Director, or other administrator will notify the parents, guardians, or custodians of the student. The notice will include the reasons for the suspension and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. The notice shall also specify that if the student, parent, guardian, or custodian intends to appeal the suspension to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within five (5) calendar days after the date of the notice to suspend. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information. Notice of the suspension will also be sent to the Superintendent and the student's school record for inclusion in the permanent record.

Students, who are suspended Out of School from either Vantage or their associate school, are not permitted to attend either school or be on school grounds during the time of their suspension or expulsion. If a student is suspended Out of School and Vantage classes are cancelled during the suspension period, the student shall add to the suspension the number of day(s) that school was closed.

If a student leaves school property without permission immediately upon violation (or suspected violation) of a provision of the Student Code of Conduct or prior to an administrator conducting an informal hearing as specified above, and the student fails to return to school on the following school day, the Director, assistant director, Superintendent, or any other administrator, may send the student and his/her parent(s)/guardian(s) notice of the suspension, and offer to provide the student and/or his/her parents an informal hearing upon request to discuss the reasons for the suspension and to allow the student to challenge the reasons and to explain his/her actions, any time prior to the end of the suspension period.

The student who is eighteen (18) or older or the student's parent(s) or guardian(s) may appeal the suspension to the Board or its designee. They may be represented in all such appeal proceedings. A verbatim record will be kept of the hearing which may be held in executive session at the request of the student, parent, or guardian, if held before the Board. The procedure to pursue such appeal will be provided in regulations approved by the Superintendent. Notice of appeal must be filed, in writing, with the Treasurer or the Superintendent within five (5) calendar days after the date of the notice to suspend.

Absence from school due to suspension shall be considered an authorized absence. See work make-up rules for out of school suspensions listed under excused absences.

Emergency Removal

If a student's presence poses a continuing danger to persons or property, or an ongoing threat of disrupting the academic process taking place either in a classroom or elsewhere on the school premises, the Superintendent, Director or ~~Assistant Director~~ other school administrator may remove the student from any curricular activity or from the school premises. A teacher may remove the student from a curricular activity under the teacher's supervision, but not from the premises.

No prior notice or hearing is required for any removal under this procedure. In all cases of normal disciplinary procedures where a student is removed from curricular activity for less than one school day, and is not subject to further suspension for expulsion, the following due process requirements do not apply.

If the emergency removal exceeds one (1) school day, a due process hearing will be held on the next school day after the removal is ordered. Written notice of the hearing and the reason for the removal and any intended disciplinary action will be given to the student as soon as practical prior to the hearing. If the student is subject to out-of-school suspension, the student will have the opportunity to appear at an informal hearing before the director, assistant director, Superintendent or designee and has the right to challenge the reasons for the intended suspension or otherwise explain his/her actions. Within one (1) school day of the decision to suspend, written notification will be given to the parents)/guardian(s) or custodian of the student on the next school day after the date of the initial removal. This notice will include the reasons for the suspension, the right of the student or parents)/guardian(s) to appeal to the Board or its designee and the student's right to be represented in all appeal proceedings. If it is probable that the student may be subject to expulsion, the hearing will take place and will be held in accordance with the procedures outlined in the Policy 5611 - Due Process Rights. The person who ordered or requested the removal will be present at the hearing.

Expulsion from School

When a student is being considered for expulsion, the Superintendent will give the student and parent, guardian, or custodian written notice of the intended expulsion, including reasons for the intended expulsion. The student and parent or representative have the opportunity to appear before the Superintendent or designee to challenge the proposed action or to otherwise explain the student's actions. The written notice will state the time and place to appear, which must not be earlier than three (3) school days nor later than five (5) school days after the notice is given, unless the Superintendent grants an extension upon request of the student or parent.

Within one (1) school day of the expulsion, the Superintendent will notify the parents, guardians, or custodians of the student and Treasurer of the Board. The notice will include the reasons for the expulsion and the right of the student, parent, guardian, or custodian to appeal to the Board or its designee; the right to be represented at the appeal; and the right to request the hearing be held in executive session if before the Board. The notice shall also specify that if the student, parent, guardian, or custodial intends to appeal the expulsion to the Board or its designee, such notice of appeal shall be filed, in writing, with the Treasurer of the Board or the Superintendent within fourteen (14) calendar days after the date of the notice of expulsion. If the offense is one for which the District may seek permanent exclusion, then the notice will contain that information. A student who is eighteen (18) or older or a student's parent(s) or guardian(s) may appeal the expulsion by the Superintendent to the Board or its designee. They may be represented in all such appeal proceedings and will be granted a hearing before the Board or its designee. A verbatim record will be kept of the hearing which may be held in executive session at the request of the student, parent, or guardian. The procedure to pursue such appeal will be in accordance with regulations approved by the Superintendent. Notice of appeal must be filed, in writing, within fourteen (14) calendar days after the

date of the Superintendent's decision to expel with the Treasurer of the Board or the Superintendent. While a hearing before the Board may occur in executive session, the Board must act in public.

Students serving expulsions will not be awarded grades or credit during the period of expulsion. Expulsion for certain violations including use or possession of alcohol or drugs, may result in revocation of student's driver's license.

A student who is expelled from either Vantage or his/her associate school will not be permitted to attend either school during the time of the expulsion.

Permanent Exclusion

State law provides for the permanent exclusion of a student, 16 years of age or older who engages in certain criminal activity. Permanently excluded students may never be permitted to return to school anywhere in the State of Ohio. A permanent exclusion may be considered if the student is convicted or adjudicated delinquent for committing one or more of the following crimes while on the property of any Ohio school:

- A. carrying a concealed weapon or conveying or possessing a deadly weapon or dangerous ordnance on property owned or controlled by a board of education or at an activity held under the auspices of this Board
- B. possessing, selling, or offering to sell controlled substances on property owned or controlled by a board of education or at an activity under the auspices of this Board
- C. complicity to commit any of the above offenses, regardless of where the complicity occurred.

In accordance with law, any student, sixteen (16) years of age or older, who has been convicted or adjudicated delinquent for committing the following offenses may be subject to permanent exclusion:

- A. rape, gross sexual imposition or felonious sexual penetration
- B. murder, manslaughter, felonious or aggravated assault
- C. complicity to commit offenses described in paragraphs A and B, regardless of where the complicity occurs

This process is formal and may follow an expulsion with the proper notification to the parents.

Discipline of Students with Disabilities

Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disability Education Improvement Act (I.D.E.I.A.,), and where applicable, the Americans with Disability Act (A.D.A.), and/or Section 504 of the Rehabilitation Act of 1973.

Suspension of Bus Riding/Transportation Privileges

Students on a bus or other authorized Board of Education transportation vehicles are under the authority of and directly responsible to the bus/vehicle driver. The driver has the authority to enforce the established regulations for bus/vehicle conduct. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation service to any student.

A student may be suspended from school bus/vehicle riding privileges for all or part of a school

year for any violation of established regulations for bus conduct and/or for conduct occurring on the bus/vehicle in violation of the Student Code of Conduct/Student Discipline Code.

Before a suspension from bus/vehicle riding privileges is imposed, the Superintendent or other designated District personnel will provide a student with notice of an intended suspension and an opportunity to appear before the Superintendent or other designated District personnel. Disciplinary suspension periods will be commensurate with the infraction(s) committed as determined by the Superintendent or designated District personnel.

This Vantage Career Center Code of Conduct has been developed in conformity with the O.R.C. 3313.661 and specifies the school's expectations for student behavior.

EIGHTEEN-YEAR-OLD STUDENTS

Students eighteen (18) years old or older, who elect to continue their education at the public expense, must follow all applicable school rules, regulations, policies, and state laws. Parental signatures are required on all documents from all students. If residing at home, adult students are encouraged to include their parents/guardians in their educational program. If the eighteen (18) year old student meets all the necessary requirements of an Independent Student, they are permitted to sign all documents themselves after the requirements are met to be considered an Independent Student.

BULLYING AND OTHER FORMS OF AGGRESSIVE BEHAVIOR

The Board of Education is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The Board encourages the promotion of positive interpersonal relations between members of the school community.

Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, and psychological abuse, and violence within a dating relationship. The Board will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property, on a school bus, or while en route to or from school, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, in a school vehicle, or where an employee is engaged in school business.

This policy has been developed in consultation with parents, District employees, volunteers, students, and community members as prescribed in R.C. 3313.666 and the State Board of Education's Model Policy.

Harassment, intimidation, or bullying means:

- A. any intentional written, verbal, electronic, or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s); or

B. violence within a dating relationship.

"Electronic act" means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic communication device.

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name calling, taunting, making threats, and hazing.

Harassment, intimidation, or bullying also means cyberbullying through electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

Any student or student's parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building director or assistant director, or the Superintendent. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building director should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports may be made to those identified above.

All complaints about aggressive behavior that may violate this policy shall be promptly investigated. The building director or appropriate administrator shall prepare a written report of the investigation upon completion. Such report shall include findings of fact, a determination of whether acts of harassment, intimidation, and/or bullying were verified, and, when prohibited acts are verified, a recommendation for intervention, including disciplinary action shall be included in the report. Where appropriate, written witness statements shall be attached to the report.

If the investigation finds an instance of harassment, intimidation, and/or bullying/cyberbullying by an electronic act or otherwise, has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. This may include suspension or up to expulsion for students, up to discharge for employees, exclusion for parents, guests, volunteers, and contractors, and removal from any official position and/or a request to resign for Board members. Individuals may also be referred to law enforcement officials.

If, during an investigation of a reported act of harassment, intimidation and/or bullying/cyberbullying, the Director or appropriate administrator believes that the reported misconduct may have created a hostile learning environment and may have constituted unlawful discriminatory harassment based on a Protected Class, the Director will report the act of bullying

and/or harassment to one of the Anti- Harassment Compliance Officers so that it may be investigated in accordance with the procedures set forth in Policy 5517 - Anti-Harassment.

Retaliation against any person who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of aggressive behavior is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated. Suspected retaliation should be reported in the same manner as aggressive behavior. Retaliation may result in disciplinary action as indicated above.

Deliberately making false reports about harassment, intimidation, bullying and/or other aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Deliberately making false reports may result in disciplinary action as indicated above.

If a student or other individual believes there has been aggressive behavior, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

The District shall implement intervention strategies (AG 5517.01) to protect a victim or other person from new or additional harassment, intimidation, or bullying and from retaliation following such a report.

This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by State or Federal law).

The complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken. If after investigation, acts of bullying against a specific student are verified, the building director or appropriate administrator shall notify the custodial parent/guardian of the victim of such finding. In providing such notification care shall be taken to respect the statutory privacy rights of the perpetrator of such harassment, intimidation, and/or bullying.

If after investigation, acts of harassment, intimidation, and/or bullying by a specific student are verified, the building director or appropriate administrator shall notify in writing the custodial parent/guardian of the perpetrator of that finding. If disciplinary consequences are imposed against such student, a description of such discipline shall be included in the notification.

Complaints

Students and/or their parents/guardians may file reports regarding suspected harassment, intimidation, or bullying. Such reports shall be reasonably specific including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. Such reports may be filed with any school staff member or administrator, and they shall be promptly forwarded to the building director for review, investigation, and action.

Students, parents/guardians, and school personnel may make informal or anonymous complaints of conduct that they consider to be harassment, intimidation, and/or bullying by verbal report to a teacher, school administrator, or other school personnel. Such complaints shall be reasonably specific

including person(s) involved, number of times and places of the alleged conduct, the target of suspected harassment, intimidation, and/or bullying, and the names of any potential student or staff witnesses. A school staff member or administrator who receives an informal or anonymous complaint shall promptly document the complaint in writing, including the information provided. This written report shall be promptly forwarded by the school staff member and/or administrator to the building director for review, investigation, and appropriate action.

Individuals who make informal complaints as provided above may request that their name be maintained in confidence by the school staff member(s) and administrator(s) who receive the complaint. Anonymous complaints shall be reviewed and reasonable action shall be taken to address the situation, to the extent such action may be taken that (1) does not disclose the source of the complaint, and (2) is consistent with the due process rights of the student(s) alleged to have committed acts of harassment, intimidation, and/or bullying.

When an individual making an informal complaint has requested anonymity, the investigation of such complaint shall be limited as is appropriate in view of the anonymity of the complaint. Such limitation of investigation may include restricting action to a simple review of the complaint subject to receipt of further information and/or the withdrawal by the complaining student of the condition that his/her report be anonymous.

Privacy/Confidentiality

The School District will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under this policy and its related administrative guidelines shall be maintained as confidential to the extent permitted by law.

Reporting Requirement

At least semi-annually, the Superintendent shall provide to the President of the Board a written summary of all reported incidents and post the summary on the District web site (if one exists). The list shall be limited to the number of verified acts of harassment, intimidation, and/or bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events.

Allegations of criminal misconduct and suspected child abuse will be reported to the appropriate law enforcement agency and/or to Child Protective Services in accordance with statute. District personnel shall cooperate with investigations by such agencies.

Immunity

A School District employee, student, or volunteer shall be individually immune from liability in a civil action for damages arising from reporting an incident in accordance with this policy and R.C. 3313.666 if that person reports an incident of harassment, intimidation, and/or bullying promptly, in good faith, and in compliance with the procedures specified in this policy. Such immunity from liability shall not apply to an employee, student, or volunteer determined to have made an intentionally false report about harassment, intimidation, and/or bullying.

Notification

Notice of this policy will be annually circulated to and posted in conspicuous locations in all school buildings and departments within the District and discussed with students, as well as incorporated into the teacher, student, and parent/guardian handbooks. At least once each school year a written statement describing the policy and consequences for violations of the policy shall be sent to each student's custodial parent or guardian.

The statement may be sent with regular student report cards or may be delivered electronically.

The policy and an explanation of the seriousness of bullying by electronic means shall be made available to students in the District and to their custodial parents or guardians.

State and Federal rights posters on discrimination and harassment shall also be posted at each building. All new hires will be required to review and sign off on this policy and the related complaint procedures.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of aggressive behavior, including bullying and violence within a dating relationship. The Superintendent or designee shall provide appropriate training to all members of the School District community related to the implementation of this policy and its accompanying administrative guidelines. All training regarding the Board's policy and administrative guidelines about aggressive behavior and bullying in general will be age and content appropriate.

Annually, the District shall provide all students enrolled in the District with age-appropriate instruction regarding the Board's policy, including a written or verbal discussion of the consequences for violations of the policy, to the extent that State or Federal funds are appropriated for this purpose.

Students in grades seven (7) through twelve (12) shall receive age-appropriate instruction in dating violence prevention education, including instruction in recognizing dating violence warning signs and characteristics of healthy relationships. Parents, who submit a written request to the building director to examine the dating violence prevention instruction materials used in the school, will be afforded an opportunity to review the materials within a reasonable period of time.

The District shall provide training, workshops, and/or courses on this policy for school employees and volunteers who have direct contact with students, to the extent that State or Federal funds are appropriated for these purposes. Time spent by school staff in these training programs shall apply toward mandated continuing education requirements.

In accordance with Board Policy 8462, the Superintendent shall include a review of this policy on bullying and other forms of harassment in the required training in the prevention of child abuse, violence, and substance abuse and the promotion of positive youth development.

The Superintendent shall develop administrative guidelines to implement this policy. Guidelines shall include reporting and investigative procedures, as needed. The complaint procedure established by the Superintendent shall be followed.

ANTI-HARASSMENT

It is the policy of the Board of Education to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against discriminatory harassment based on race, color, national origin, sex (including sexual orientation and gender identity), disability, age (except as authorized by law), religion, ancestry, or genetic information (collectively, "Protected Classes") that are protected by Federal civil rights laws (hereinafter referred to as unlawful harassment), and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify such problems. The Board will investigate all allegations of unlawful harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment, prevent its recurrence, and remedy its effects. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

The Board designates the following individuals to serve as "Anti-Harassment Compliance Officers" for the District. They are hereinafter referred to as the "Compliance Officers".

Adult Education Director
419-238-5411
818 N. Franklin Street
Van Wert, OH 45891

Instructional Supervisor
419-238-5411
818 N. Franklin Street
Van Wert, OH 45891

The Compliance Officers will be available during regular school/work hours to discuss concerns related to unlawful harassment, to assist students, other members of the District community, and third parties who seek support or advice when informing another individual about "unwelcome" conduct, or to intercede informally on behalf of the student, other member of the School District community or third party in those instances where concerns have not resulted in the filing of a formal complaint and where all parties are in agreement to participate in an informal process.

Compliance Officers shall accept complaints of unlawful harassment directly from any member of the School District community or a visitor to the District, or receive complaints that are initially filed within a school building administrator. Upon receipt of a complaint either directly or through a school building administrator, a Compliance Officer will begin either an informal or formal process (depending on the request of the person alleging the harassment or the nature of the alleged harassment), or the Compliance Officer will designate a specific individual to conduct such a process. In the case of a formal complaint, the Compliance Officer will prepare recommendations for the Superintendent or will oversee the preparation of such recommendations by a designee. All members

of the School District community must report incidents of harassment that are reported to them to the Compliance Officer within two (2) business days of learning of the incident.

USE OF COMPUTER TECHNOLOGY/PERSONAL ELECTRONIC DEVICES

Students are not permitted to use Cellular Phones, Cameras, Picture/Camera Phones, Radios, Recording Devices, MP3 Players, and any other electronic items at any time instruction is taking place except as authorized by the teacher in charge of such educational class. The use of these devices during any of these times without explicit permission may result in disciplinary action, confiscation of the item, and/or a parental pickup of the item. Confiscated items may be returned to the student if reasonable. The school takes no responsibility for the loss of these items at school. The school reserves the right to inspect any electronic device taken from a student for violating school rules.

Sexting and/or Sextortion are prohibited at any time on school property or at school functions. Sexting is the electronic transmission of sexual messages or pictures, usually through cell phone text messaging. Such conduct not only is potentially dangerous for the involved students, but also can lead to unwanted exposure of the messages and images to others, and could result in criminal violations related to the transmission or possession of child pornography or criminal extortion.

Use of pictures, messages, and/or video, of students and/or staff without their permission or knowledge is a violation of school policy and may be a criminal offense, in which case law enforcement authorities may be notified, as well as disciplinary action issued by Vantage Career Center.

Students using Vantage Career Center computer equipment or services will be required to adhere to the current school year Computer User Agreement (Acceptable Use Policy) guidelines. Student Code of Conduct shall apply for any violations.

- Every classroom will have a designated place to put phones at the start of every class i.e. a clear front shoe holder, numbered cubbies in a cabinet or the like.
- Phones should be stored either powered down or in airplane mode to prevent disruptions.
- Students will not have access until the end of class, or only with explicit permission to be used for an educational activity, where when finished, the students will put the phone back in the designated storage spot.
- Students do not take their phones with them to the restroom or on breaks during class.
- Students will still have access to their phones between classes and at lunch.

In the event of an emergency, parents can still call the high school office to communicate with a student.

STUDENT SERVICES/ ACADEMIC AND CAREER-TECHNICAL REQUIREMENTS

Students needing to pass State mandated testing or with academic credit deficiencies will be assigned to academic classes in lieu of electives. Students may make up any additional requirements in Virtual Learning classes. Students should check with their associate school counselors or Vantage counselor to see if they meet the minimum requirements for graduation.

ORC 3313.6014 - A consequence of not completing core curriculum requirements in ORC 3313.603 (c) is students are ineligible to enroll in state universities without further coursework.

The Vantage school year is divided into four nine-week grading periods totaling 180 days of instruction. Students will receive letter grades to indicate the level of achievement according to the following scale:

A+	98.50	100.00
A	93.50	98.49
A-	91.50	93.49
B+	89.50	91.49
B	84.50	89.49
B-	82.50	84.49
C+	80.50	82.49
C	75.50	80.49
C-	73.50	75.49
D+	71.50	73.49
D	66.50	71.49
D-	64.50	66.49
F	0.00	64.49

Students must meet the following criteria in order to gain credit for any course: The final grade must average to a passing grade. Final grades will be determined by averaging the four nine-week grades in career-technical courses. Academic courses will have a final grade determined by the following formula: each of the four nine-week grades will count as 20 percent of the final course grade, with each of the semester exams counting as 10 percent of the final course grade. ~~A grade of *Incomplete* will be given to students who do not complete work to the satisfaction of the instructor. Two Weeks will be given to complete the missing work, before the *Incomplete* is converted into an F or failing grade, for any assignments that are missing.~~ Students enrolled in Virtual Learning Classes will be graded Pass/Fail.

Students with extenuating circumstances may receive a grade of Incomplete due to missing work. Two weeks will be given to complete the missing work before a zero (0) or failing grade will be assigned for any work still missing. The nine-week grade will then be finalized.

VANTAGE STUDENT PARTICIPATION POLICY

Vantage Career Center has high expectations for all students. To maximize students' learning experiences, the following points program has been designed in order for you to improve upon your performance while attending Vantage Career Center.

75 points are "in the bank" for every junior student upon confirmed enrollment at Vantage. To advance to the senior year, you must have points remaining in your account.

Points are deducted from your individual student account of 75 points for each of the following:

Tardy to school (Progressive discipline after 3rd tardy)	1 point
Lunch detention	2 points
Unexcused absence	4 points
Nine weeks grade of "F"	5 points per academic / 15 points per lab
Denial of driving or other privilege	5 points (max per incident)
Failure to follow Virtual Learning Strategies	(Same points as academic referral ISDA)
Day(s) of In School Discipline (or partial)	5 points
Day(s) of Out of School Suspension	10 points (Max. 50 pts per occurrence)

If a student loses all of their points in the junior year, the student will not be able to enroll at Vantage in any program as a senior. This program has been designed to help each student do their best in the simulated work environment at Vantage, which prepares them for a future career of their choice. It also provides frequent feedback to each student if a student's point value decreases and they are in danger of not being able to complete two years at Vantage.

If a student loses all their points their senior year then they will be prohibited from participating in the Vantage Senior Awards Ceremony.

If a student feels extenuating circumstances have affected their point balance, an appeal may be made to the Appeals Committee, where they will state their individual case.

The Appeals Committee will include:
Career Tech Teacher
1-2 Academic Teachers
School Counselor
High School Director

STUDENT ELIGIBILITY BENCHMARKS FOR INTERVENTION

Intervention will be held once a student loses the following point totals:

- 20 Points – Contact parent / guardian.
- 30 Points - Home school Principal notified.
- 40 Points - Parent/guardian conference.

50 Points - Meeting with home school Principal and parent / guardian.

75 Points - Notice to home school and parent of student not returning. (Individual contracts may be issued on a case-by-case basis for immediate removal to home school for future violations, etc...)

The student will also be notified of their point total once they lose the above point totals. If a student feels extenuating circumstances have affected their point balance they may appeal to the Appeals Committee.

Student recognition may be awarded to students who continue to maintain a zero-point balance.

SCHOOL COUNSELING

School counseling programs are provided at Vantage Career Center in compliance with the regulations of the Ohio School Counseling Association and the Vantage Career Center School Board policy. The school counseling program is part of the comprehensive education provided to all students through activities that focus on teaching positive approaches to school and lifelong learning and the knowledge and skills for life and employment. It includes:

- Academic counseling, which helps students and their parents or guardians to acquire knowledge of the curriculum choices and testing and choose appropriate courses leading to graduation and a transition to college, career, and other educational opportunities.
- Career counseling, which helps students to acquire information and skills in order to plan for work, jobs, apprenticeships, and postsecondary educational and career opportunities.
- Personal or Social counseling, which helps students develop an understanding of themselves and of the rights and needs of others; learn to resolve conflicts; and set individual goals reflecting their interests, abilities, and aptitudes.

Personal or social counseling may be provided in large groups (e.g., all 12th graders) in which general issues of social development are addressed or in structured individual or small-group multisession counseling that focuses on the specific concerns of the participant(s). Parents or guardians shall receive written notification of short-term personal or social counseling of a small group nature. Parental or guardian consent is not required for short-term personal or social counseling and/or crisis intervention that is needed to maintain order, discipline, or a productive learning environment.

Parents may excuse their child from academic, career, or personal or social counseling at any time by completing an opt-out form, which can be obtained from student services. An opt-out request will remain in effect from the day it is received by the school throughout the student's career at Vantage Career Center unless the opt-out request is rescinded by the parents or guardians in writing. A parent or guardian who opts to have their child excused from academic or career counseling shall have sole responsibility to ensure that all academic and graduation requirements are fulfilled. Parents or guardians may review materials to be used in school counseling programs at their children's school by contacting the school counselor.

Students who earn A's and B's in their scheduled Academic and Lab Courses will be placed on the **A-B Honor Roll**. Students who earn all B's in their scheduled Academic and Lab Courses will be placed on the **all B Honor Roll**.

CHEATING/ACADEMIC DISHONESTY

Presenting someone else's work as one's own in order to obtain a grade and/or credit is considered cheating. This includes, but is not limited to, copying other's assignments, notes, quiz and/or test answers, and plagiarism. Students who violate this policy may receive zero credit for assignments or work involved and may be referred for school discipline. Repeated violations may result in zeros being earned for the quarter, semester, or no credit being earned for the course.

PROGRESS REPORTS TO PARENTS

Vantage instructors will complete a Progress Report at the interim of all four grading periods for all students to inform the parents of the work and progress made in their student's career-technical program. This notification outlines the performance of the student and indicates both strengths and areas of needed improvement. Progress Report information is available on-line through progress book. Please contact Student Services for more information.

NATIONAL TECHNICAL HONOR SOCIETY

Seniors who are on track to meet all State-mandated testing requirements and who have maintained a 95% attendance rate and a ~~3.5~~ 3.75 GPA during their junior year are eligible to apply. Members are elected into the National Technical Honor Society by a Faculty Committee, which considers leadership abilities, technical skills, community/school service, and character traits.

National Technical Honor Society members are expected to maintain a ~~3.5~~ 3.75 Grade Point average and 95% attendance for each quarter throughout their 12th grade year at Vantage. Any student who falls below a ~~3.5~~ 3.75 GPA OR 95% attendance will be given written notice of probation (within two weeks from the conclusion of said quarter). If a student on official written probation with NTHS fails to regain the expected level of achievement (~~3.5~~ 3.75 GPA and 95% Attendance) during the quarter which they are on probation, he or she will forfeit their membership in NTHS.

ATHLETIC ELIGIBILITY

Vantage students are encouraged and eligible to participate in the athletic programs at their associate schools. To remain eligible for competition, a student must meet academic requirements of his/her associate school and the Ohio High School Athletic Association. Associate schools will be notified if an athlete is failing a course at Vantage Career Center.

CHANGE OF ADDRESS/PHONE NUMBER/CUSTODY

Should there be a change of address, phone number, or custody, it is the responsibility of the student or

parent/guardian to notify Student Services to make the appropriate changes.

STUDENT RECORDS

Teachers, counselors and administrative staff keep student records. There are two basic kinds of records: directory information and confidential records.

Directory information can be given to any person or organization for non-profit-making purposes when **requested unless the parents of the student restrict the information, in writing, to the Director.**

Directory Information Includes:

Student's name, address, telephone number, date of birth, photograph, major field of study, honor roll, awards received, and participation in officially-recognized activities and sports; weight, height and other statistics related to the sport may be included for sports activities.

Confidential Records Contain:

Educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents, the adult student, or a surrogate to the parent. The only exceptions to this are to comply with state and federal laws that may require release without consent - - - for example, the Homeland Security & Solomon Acts.

Included in the confidential record may be test scores, psychological reports, behavioral data, disciplinary records, and communications with the family and outsider service providers. The school must have a parent's written consent to obtain records from an outside professional person or agency. Confidential information found in a student's record that originates from an outside agency may be released to the parent through the originator and parents should keep copies of such records for their home files. Parents may also provide the school with copies of records made by non-school professional agencies or individuals.

Information on former students also falls into directory and confidential information categories and will be made available on the same basis as enrolled students. Students and parents have the right to review all educational records generated by the school district, request amendment to these records, insert addenda to records, and obtain copies of such records. Copying costs may be charged to the requestor. If a review of records is wanted, please contact guidance counselors, in writing, and state which records are desired. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions.

RELEASING INFORMATION TO MILITARY RECRUITERS

According to Federal Statute and Ohio Revised Code, Vantage Career Center must provide the military with the contact information of its students. Parents have the right to "opt out" of the requirement to provide the military with student contact information. This can be done by requesting, in writing by September 1, that the Director refrain from issuing the contact information of an individual student to the military.

EMERGENCY MEDICAL AUTHORIZATION

A complete Emergency Medical Authorization Form must be on file with the school in order for a student to participate in any activity off school grounds, including field trips, spectator trips and other extracurricular activities, and co-curricular activities. The Emergency Medical Authorization form is

provided at the time of enrollment or at the beginning of each school year. These forms must be filled out in a timely manner or students may not be able to participate during school activities.

HEALTH SERVICES

A Health Clinic is located adjacent to the Student Services reception area. Students who are ill or have been injured and require medical attention shall be referred to the clinic or high school office. A student who becomes ill during the school day should check with his/her teacher before reporting to the clinic or high school office. Staff will notify the student's parents/guardian if the student is to be sent home. No student will be sent home without parent or emergency contact notification and approval. Students who are released during the school day for unplanned medical reasons should not report back to school until the following school day or later depending on their recovery progress. Some conditions may require a medical clearance to return.

MEDICATION POLICY

We are a building of thirteen schools, who travel from many locations. A parent/guardian does not need to bring in the medications directly to the high school office, unless they feel this is necessary. The student can bring in the medication and will be asked to bring this to the high school office upon arrival, so it can be delivered to the school nurse. All medications will be kept in the school nurse's office and administered by the school nurse. New request forms must be submitted for each school year and as necessary for any change in medication orders. No student should be carrying medications except those students who are to carry prescribed inhalers, a prescribed insulin pump or students with severe allergies who are to carry Epi-pens. The school will dispense medication only when these guidelines have been followed.

PRESCRIPTION MEDICATIONS

If possible, students should take medication before or after school hours. If there is a medication that needs taken at school, please notify the high school office or school nurse. Parents/guardians will need to have the Prescription Medication Sheet filled out and signed by the prescribed provider as well as the parent/guardian or have a medication sheet from the prescriber's office given to the school. A parent/guardian can obtain Prescription Medication Sheets from the school or found on the school website. Medications must come in original bottle or a bottle that has been prescribed for school. If this information cannot be provided to the school nurse, no medication will be administered to your child until the proper paperwork is filled out.

**** Medical Marijuana is not considered a prescription drug and is not allowed on school property and/or before, during or after school events.**

OVER THE COUNTER MEDICATION POLICY

At the beginning of the school year, paperwork will be filled out to allow the school nurse to administer certain medications provided by the school. Any over the counter medications that are brought in by the student must have a medication sheet attached and signed by parent/guardian. This sheet can be provided by the school or found on the school website and must be signed by the parent/guardian. Medication must come in original bottle and be labeled with student's first and last name. These types of medications cannot be provided in a plastic bag to the school. If a student brings the medication in this form, the medication will not be administered. The medication brought in the bag will be kept at the high school office and your child can pick this up and take it home at the end of the day. If your student requires more than the dose listed on the bottle, a prescription medication sheet must be filled out by a physician to prove reason why student needs more than said dose listed. If parent/guardian cannot provide a physician prescription, dose listed on bottle will be administered.

**** Medical Marijuana is not considered a prescription drug and is not allowed on school property and/or before, during or after school events.**

END OF YEAR MEDICATION POLICY

At the end of every school year, the school nurse will message all students who have medication in the clinic to have their medications picked up before the last day of school. If any medications are left at the school, the medication will be properly disposed.

BUILDING REGULATIONS

DRESS AND GROOMING CODE

The Administration, along with your instructors, will advise you concerning what dress and appearance standards are appropriate for particular career areas. Students will wear uniforms at all times, including to lab and academics each day, unless otherwise authorized. All students will dress in a professional manner, observing prevailing rules of modesty and decency while representing Vantage Career Center in a professional way. A student who violates the dress code may receive the consequence of not attending class, lab, lunch, etc. until the student is dressed in an acceptable manner. The student will be able to make up the missed class work. In addition, violators may be assigned detention, and repeat violators may face more serious disciplinary consequences as listed in the Student Code of Conduct.

The Guidelines for School Dress and Appearance throughout the day are as follows:

1. Clothing/uniforms should be appropriate for the workplace, provide coverage of the body without being a distraction to the educational purpose, and be neat, clean, and in good repair.
2. Hair should be neat, clean, (not block view of eyes) and, present a professional image. Special consideration may be necessary while working in or around hazardous areas and/or machinery.
3. Students must wear proper and safe footwear at all times. Safety considerations may apply to specific career areas. Flip-flops, wheeled shoes, sandals, house slippers, open-toed shoes, or the like are NOT allowed at any time.
4. Hats and/or headwear (caps, headscarves, bandannas, sweatbands, curlers, or the like) are not permitted normally.

The following are some but not all of the examples of inappropriate dress items during school hours:

- Tank-tops, halter-tops, spaghetti straps, see-through items, or anything that is not considered a long pant or pair of pants.
- Personal coats, sweaters, sweatshirts and jackets will be kept in school lockers during the school day. Approved Vantage jackets or vantage sweatshirts may be worn as part of the student's uniform. STUDENT DRIVING AND PARKING REGULATIONS

1. Students must register and obtain a student parking permit to be displayed on the rearview mirror of the vehicle students drive to school. The first permit is provided by Vantage CC however, any subsequent permits must be purchased in the school warehouse.
2. Parking is strictly limited to the student parking areas.
3. Students are not permitted to remain in their vehicle or loiter in the parking lot after school is opened in the morning.
4. School buses have the right-of-way and students shall not hinder their entrance and exit from school property.
5. All vehicles are expected to be operated at slow speeds and without distracting other persons by means of loud music, revving engine, or other distractive activities.
6. There will be no speeding, or any form of reckless driving, including burnouts, squealing tires, swerving, passing other vehicles, allowing others to ride on the exterior of their vehicles, and the like, on school grounds.

8. Students who exercise the privilege of driving, riding, or parking a private vehicle on school property are subject to a search of that vehicle upon reasonable suspicion that the vehicle contains unlawful material or material that violates school regulations. Refusal to cooperate with such a search will result in denial of driving privileges, possible reports to law enforcement officials, and school discipline. Students are responsible for any property they transport onto school property or school events. Searches may include the assistance of canines trained to detect the presence of drugs or other contraband.
9. No student will go out to his or her vehicle for any reason during the school day without explicit permission from a supervisor. **or Dean of Students.** If a student will be working on or with their

Upon notification from their associate school, students may be released from Vantage during the school day to participate with their associate school activity students are invited to attend. Students may have to provide their own transportation to and from the event

CAFETERIA, MEAL SERVICES, AND LUNCH PERIOD

Each student will have an approximately twenty-five (25) minute lunch period. Each student is responsible to place disposable products in the containers provided in the Commons Area. Because classes are being conducted during the lunch period, all students will remain in the Commons Area or Media Center during the lunch period. Restrooms in the Commons Area may be used during the lunch period. Students are not permitted to leave school grounds or be in the parking area during the lunch period. Lunch is part of the educational program at Vantage. The school participates in the National School Lunch Program and makes lunches available to students for a minimal fee. All meals are planned and prepared according to good health standards. Students will also be allowed to pack their lunch. Students may not "order out" or have food delivered. Packed lunches shall be eaten in the Commons Area, but students may store packed lunches in their lockers. Each student is assigned to one lunch period. All students are expected to eat in the Commons Area.

BUS TRANSPORTATION TO SCHOOL

The student's associate school district provides bus transportation for all students from that school district. Please contact the associate school for information.

STUDENT FEES AND FINES

In accordance with State law, the school charges specific fees for activities and materials used in the course of instruction. This fee covers a share of the educational supply cost in the classrooms and laboratories. Fees are due in one payment at the beginning of the school year or when the student enrolls in school. Charges may also be imposed for loss, damage, or destruction of school apparatus, equipment, library materials, and textbooks and for damage to school buildings or property. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment.

Failure to pay fines, fees, or charges may result in the withholding of grades and credits. Fees may be paid by cash, check, VISA, MasterCard, or Discover Card.

FIRE, TORNADO, AND SAFETY DRILLS

Vantage Career Center complies with all laws regarding fire safety, inclement weather, and the like and will conduct drills in accordance with state law. Vantage Career Center conducts tornado drills during the tornado season following procedures prescribed by the State of Ohio. The alarm system for tornadoes consists of notification from the Director. Teachers will provide specific instructions on how to proceed in the case of fire or tornado and will oversee the safe, prompt, and orderly evacuation of the building in such cases. Safety drills also will be conducted as needed each school year. These safety drills can include a terrorist threat, a person in possession of a deadly weapon on school property, or other dangerous acts of violence.

Teachers and administrative staff will provide specific instruction on the appropriate procedures to follow in situations where students must be secured in their classroom or the school building or be evacuated. Administrative staff work closely with public safety personnel in an attempt to keep directives current and as safe as possible for staff, students, and visitors.

ASSOCIATE SCHOOL ANNOUNCEMENTS and ACTIVITIES

To keep Vantage students informed of activities at their associate schools, the associate school principals send messages that are read during morning announcements and posted to the website. Vantage also has direct links to associate school announcement pages on our website. Items for morning announcements should be given to the receptionist at the Student Services office prior to 8:15 AM. Anyone wishing to learn of activities or events that are taking place at their Associate School should contact Student Services or their Associate School.

VISITORS – SAFETY AND SECURITY

Vantage Career Center welcomes adult visitors and parents, but asks that they do the following:

1. All visitors to Vantage Career Center MUST check in at the front office immediately upon entering the building. This includes alumni returning for a visit. Alumni visits are restricted to before and after school hours. Alumni may meet with former teachers during their conference periods provided arrangements have been made ahead of time.
2. At this time, the visitor will be issued a building pass they are required to wear while in the building.
3. Staff and students are expected to question people in the building whom they do not recognize and who are not wearing a building pass, and to question people who are “hanging out” around the building before and after school hours.
4. No visitor may enter a room while a class is in session.
5. Permission will not be granted to have a visitor come to school during lunch or to attend classes with you.
6. Parents are welcome to visit Vantage Career Center at any time but are asked to check in at the office in order that proper arrangements are made to insure a quality visit.
7. Prospective students who wish to visit Vantage Career Center must arrange through the Student Services Department.
8. Vantage locks as many unneeded outside doors as possible during the school day.
9. Portions of the building that will not be needed after the regular school days may be closed off.

SEARCH AND SEIZURE

The following rules shall apply to the search of school property assigned to a specific student and the seizure of items in his/her possession. Administrators may search a student or his or her property (including vehicles, purses, backpacks, etc.) with or without the student’s consent, whenever they reasonably suspect that a search will lead to the discovery of evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student’s age. General housekeeping inspection of school property may be conducted with reasonable notice. Student lockers are the property of the school, and students have no reasonable expectation of privacy in their contents or in the contents of any other school property including desks or other containers. School authorities may conduct random searches of the lockers and their contents at any time without announcement, including unannounced and random canine searches. **To maintain the health and safety of students, building administrators and their designees are permitted to use hand held metal detector devices when conducting a search of any student, locker, vehicle or student**

property and any additional items deemed necessary.

Additionally, students have NO reasonable expectation of privacy in their actions in public areas including, but not limited to, common areas, hallways, cafeteria, and classrooms or parking areas. The school may use video cameras in such areas and on all school vehicles transporting students to and from regular and extracurricular activities. Anything that is found in the course of a search may be used as evidence of a violation of school rules or the law, and may be taken and held, or turned over to the police. The school reserves the right not to return items that have been confiscated.

Before students are questioned by law enforcement as witnesses or suspects in an alleged criminal violation, a building administrator will attempt to contact a parent and a staff member will remain in the room during questioning.

If a student is questioned as the subject of alleged child abuse or neglect, a building administrator will attempt to contact a parent prior to questioning, and he or she (or a designated guidance counselor) will remain in the room during questioning. If the agency investigating the alleged child abuse or neglect suspects the parent is the perpetrator, neither parent will be contacted prior to questioning, but the building administrator (or a designated guidance counselor) will remain in the room during questioning. If law enforcement or children's services agency removes a student from school, the building administrator will notify a parent.

1. General searches of school property may be conducted at any time by school authorities who may be assisted by law enforcement authorities.
2. Lockers belong to the school and they and their contents may be searched at any time.
3. A student and his/her personal belongings on school grounds or at any school activity may be searched when it is reasonably necessary for the maintenance of order, discipline, and safety.
4. School authorities will only conduct a search of a student or personal belongings when they have reasonable suspicion
5. Illegal items (firearms, weapons, smoke bombs, etc.) or other possessions reasonably determined to be a threat to the safety or security of others shall be seized by school authorities and the student and parents involved shall be notified.
6. Items that disrupt or interfere with the educational process will be removed from the student's possession.
7. A student's automobile on school property may be searched. A reasonable attempt will be made to contact the student or parent/guardian prior to the search. Vantage Career Center is not responsible for the safety of personal property or vehicles brought onto school property.
8. Random searches of lockers and automobiles may include the assistance of dogs trained to detect the presence of drugs or other substances.

SURVEILLANCE CAMERAS

For students' safety and welfare, video surveillance cameras are placed throughout the building and school grounds. A recording may be used as evidence by the Administration or by law enforcement in any situation involving violation of any rule, regulation, policy, or law. The surveillance cameras are only meant to be viewed by Vantage Career Center Administration. Surveillance cameras are not under constant monitoring by Administration. Any attempt to damage or interfere with the function of these devices will result in disciplinary action by the school and possible referral to local law enforcement agencies.

STUDENT INSURANCE

Vantage Career Center strongly encourages every student to be properly insured. Students have the option of enrolling in a medical insurance program through their associate school or enrolling through their family plans. Vantage Career Center is not responsible for payment of doctor or hospital bills resulting from an accident and/or illness to a student at Vantage Career Center.

STUDENTS WITH DISABILITIES

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against any persons with a disability in any program receiving Federal financial assistance. This protection applies not just to the students, but also to all individuals who have access to the district's programs and facilities.

The laws define a person with a disability as anyone who:

1. Has a mental or physical impairment that substantially limits one or more major life activities;
2. Has a record of such an impairment; or
3. Is regarded as having such impairment.

The Board designates the following individuals to serve as the District's 504 Compliance Officers/ADA Coordinators:

Students are entitled to a free appropriate public education (F.A.P.E.). A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEA, A.D.A Section 504) and State law.

DRAFT

April 3, 2024

Mr. Turner,

After having a recent conversation with Mrs. Mooney, I am requesting my retirement date from Vantage be amended to designate July 31, 2024 rather than the "conclusion of current limited contract" in my first letter approved by our school board. This will allow transitioning to STRS insurance Aug 1, 2024.

Thank you,

OWNER'S REPRESENTATIVE (Architect, Engineer or other party):

Printed in cooperation with the American Institute of Architects (AIA) by Chubb. The language in this document conforms to the language used in AIA Document A312™ - 2010.

1. The Contractor and the Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the Owner for the performance of the Construction Contract, which is incorporated herein by reference.
2. If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except when applicable to participate in a conference as provided in Section 3.
3. If there is no Owner Default under the Construction Contract, the Surety's obligation under this Bond shall arise after:
 - 1 the Owner first provides notice to the Contractor and the Surety that the Owner is considering declaring a Contractor Default. Such notice shall indicate whether the Owner is requesting a conference among the Owner, Contractor and Surety to discuss the Contractor's performance. If the Owner does not request a conference, the Surety may, within five (5) business days after receipt of the Owner's notice, request such a conference. If the Surety timely requests a conference, the Owner shall attend. Unless the Owner agrees otherwise, any conference requested under this Section 3.1 shall be held within ten (10) business days of the Surety's receipt of the Owner's notice. If the Owner, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor Default;
 - 2 the Owner declares a Contractor Default, terminates the Construction Contract and notifies the Surety; and
 - 3 the Owner has agreed to pay the Balance of the Contract Price in accordance with the terms of the Construction Contract to the Surety or to a contractor selected to perform the Construction Contract.
4. Failure on the part of the Owner to comply with the notice requirement in Section 3.1 shall not constitute a failure to comply with a condition precedent to the Surety's obligations, or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.
5. When the Owner has satisfied the conditions of Section 3, the Surety shall promptly and at the Surety's expense take one of the following actions:
 - 5.1 Arrange for the Contractor, with consent of the Owner, to perform and complete the Construction Contract;
 - 5.2 Undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;
 - 5.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the Owner and a contractor selected with the Owner's concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Section 7 in excess of the Balance of the Contract Price incurred by the Owner as a result of Contractor Default; or
 - 5.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor and with reasonable promptness under the circumstances:
 - .1 After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, make payment to the Owner; or
 - .2 Deny liability in whole or in part and notify the Owner, citing the reasons for denial.
6. If the Surety does not proceed as provided in Section 5 with reasonable promptness, the Surety shall be deemed to be in default on this Bond seven days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Section 5.4, and the Owner refuses the payment or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

7. If the Surety elects to act under Section 5.1, 5.2 or 5.3, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. Subject to commitment by the Owner to pay the Balance of the Contract Price, the Surety is obligated, without duplication, for
 - 1 the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;
 - 2 additional legal, design professional and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Section 5; and
 - 3 liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.
8. If the Surety elects to act under Section 5.1, 5.3 or 5.4, the Surety's liability is limited to the amount of this Bond.
9. The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than the Owner or its heirs, executors, administrators successors and assigns.
10. The surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.
11. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after a declaration of Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.
12. Notice to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears.
13. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirements shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
14. **DEFINITIONS**
 - 14.1 **Balance of the Contract Price:** The total amount payable by the Owner to the Contractor under the Construction Contract after all proper adjustments have been made, including allowance to the Contractor of any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Construction Contract.
 - 14.2 **Construction Contract:** The agreement between the Owner and the Contractor identified on the cover page, including all Contract Documents and changes made to the agreement and the Contract Documents.
 - 14.3 **Contractor Default:** Failure of the Contractor, which has not been remedied nor waived, to perform or otherwise to comply with the term of the Construction Contract.
 - 14.4 **Owner Default:** Failure of the Owner, which has not been remedied or waived, to pay the Contractor as required under the Construction Contract or to perform and complete or comply with the other material terms of the Construction Contract.
 - 14.5. **Contract Documents:** All the documents that comprise the agreement between the Owner and Contractor.
15. If this Bond is issued for an agreement between a Contractor and subcontractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

OWNER'S REPRESENTATIVE (Architect, Engineer or other party)

Printed in cooperation with the American Institute of Architects (AIA) by Chubb. The language in this document conforms to the language used in AIA Document A312™ - 2010.

1. The Contractor and the Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns to the Owner to pay for labor, materials and equipment furnished for use in the performance of the Construction Contract, which is incorporated herein by reference, subject to the following terms.
2. If the Contractor promptly makes payment of all sums due to Claimants, and defends, indemnifies and holds harmless the Owner from claims, demands, liens or suits by any person or entity seeking payment for labor, materials or equipment furnished for use in the performance of the Construction Contract, then the Surety and the Contractor shall have no obligation under this Bond.
3. If there is no Owner Default under the Construction Contract, the Surety's obligation to the Owner under this Bond shall arise after the Owner has promptly notified the Contractor and the Surety (at the address described in Section 13) of claims, demands, liens or suits against the Owner or the Owner's property by any person or entity seeking payment for labor, materials or equipment furnished for use in the performance of the Construction Contract and tendered defense of such claims, demands, liens or suits to the Contractor and the Surety.
4. When the Owner has satisfied the conditions in Section 3, the Surety shall promptly and at the Surety's expense defend, indemnify and hold harmless the Owner against a duly tendered claim, demand, lien or suit.
5. The Surety's obligations to a Claimant under this Bond shall arise after the following:
 - 5.1 Claimants, who do not have a direct contract with the Contractor,
 - .1 have furnished a written notice of non-payment to the Contractor, stating with substantial accuracy the amount claimed and the name of the party to whom the materials were, or equipment was, furnished or supplied or for whom the labor was done or performed, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the Claim; and
 - .2 have sent a Claim to the Surety (at the address described in Section 13).
 - 5.2 Claimants, who are employed by or have a direct contract with the Contractor, have sent a Claim to the Surety (at the address described in Section 13).
6. If a notice of non-payment required by Section 5.1.1 is given by the Owner to the Contractor, that is sufficient to satisfy a Claimant's obligation to furnish a written notice of non-payment under Section 5.1.1.
7. When a Claimant has satisfied the conditions of Sections 5.1 or 5.2, whichever is applicable, the Surety shall promptly and at the Surety's expense take the following actions:
 - 7.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the Claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and
 - 7.2 Pay or arrange for payment of any undisputed amounts.
- 7.3 The Surety's failure to discharge its obligations under Section 7.1 or Section 7.2 shall not be deemed to constitute a waiver of defenses the Surety or Contractor may have or acquire as to a Claim, except as to undisputed amounts for which the Surety and Claimant have reached agreement. If, however, the Surety fails to discharge its obligations under Section 7.1 or Section 7.2, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs thereafter to recover any sums found to be due and owing the Claimant.
8. The Surety's total obligation shall not exceed the amount of this Bond, plus the amount of reasonable attorney's fees provided under Section 7.3, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.
9. Amounts owed by the Owner to the Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under any construction performance bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of the Contractor and the Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.

10. The Surety shall not be liable to the Owner, Claimants or others for obligations of the Contractor that are unrelated to the Construction Contract. The Owner shall not be liable for the payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligations to make payments to, or give notice on behalf of, Claimants or otherwise have any obligations to Claimants under this Bond.
11. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders and other obligations.
12. No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the state in which the project that is subject of the Construction Contract is located or after the expiration of one year from the date (1) on which the Claimant sent a Claim to the Surety pursuant to Section 5.1.2 or 5.2, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this Paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.
13. Notice and Claims to the Surety, the Owner or the Contractor shall be mailed or delivered to the address shown on the page which their signature appears. Actual receipt of notice or Claims, however accomplished, shall be sufficient compliance as of the date received.
14. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
15. Upon request by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor and Owner shall promptly furnish a copy of this Bond or shall permit a copy to be made.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. Primary And Non-Contributory Insurance If Required By Written Contract

If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS

- 1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:
 - a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and
 - b. Regarding websites, only that part of a website that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**BLANKET ADDITIONAL INSURED – AUTOMATIC STATUS
IF REQUIRED BY WRITTEN CONTRACT
(CONTRACTORS)**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

1. The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that:

- a. You agree in a "written contract requiring insurance" to include as an additional insured on this Coverage Part; and
- b. Has not been added as an additional insured for the same project by attachment of an endorsement under this Coverage Part which includes such person or organization in the endorsement's schedule;

is an insured, but:

- a. Only with respect to liability for "bodily injury", "property damage" or "personal injury"; and
- b. Only as described in Paragraph (1), (2) or (3) below, whichever applies:

(1) If the "written contract requiring insurance" specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – (Form B) endorsement CG 20 10 11 85; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10 10 01, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 10 01;

the person or organization is an additional insured only if the injury or damage arises out of "your work" to which the "written contract requiring insurance" applies;

(2) If the "written contract requiring insurance" specifically requires you to provide additional insured coverage to that person or organization by the use of:

(a) The Additional Insured – Owners, Lessees or Contractors – Scheduled Person or Organization endorsement CG 20 10 07 04 or CG 20 10 04 13, the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37 07 04 or CG 20 37 04 13, or both of such endorsements with either of those edition dates; or

(b) Either or both of the following: the Additional Insured – Owners, Lessees or Contractors – Scheduled Person Or Organization endorsement CG 20 10, or the Additional Insured – Owners, Lessees or Contractors – Completed Operations endorsement CG 20 37, without an edition date of such endorsement specified;

the person or organization is an additional insured only if the injury or damage is caused, in whole or in part, by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies; or

(3) If neither Paragraph (1) nor (2) above applies:

(a) The person or organization is an additional insured only if, and to the extent that, the injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the "written contract requiring insurance" applies; and

(b) The person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

COMMERCIAL GENERAL LIABILITY

2. The insurance provided to the additional insured by this endorsement is limited as follows:
 - a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured will be limited to such minimum required limits of liability. For the purposes of determining whether this limitation applies, the minimum limits of liability required by the "written contract requiring insurance" will be considered to include the minimum limits of liability of any Umbrella or Excess liability coverage required for the additional insured by that "written contract requiring insurance". This endorsement will not increase the limits of insurance described in Section III – Limits Of Insurance.
 - b. The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services, including:
 - (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (2) Supervisory, inspection, architectural or engineering activities.
 - c. The insurance provided to the additional insured does not apply to "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the "written contract requiring insurance" specifically requires you to provide such coverage for that additional insured during the policy period.
3. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured under which that person or organization qualifies as a named insured, and we will not share with that other insurance. But the insurance provided to the additional insured by this endorsement still is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured, or is any other insured that does not qualify as a named insured, under such other insurance.
4. As a condition of coverage provided to the additional insured by this endorsement:
 - a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and
 - (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
 - b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:
 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.
 - c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
 - d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insurance provided to the additional insured by this endorsement is primary to other insurance available to the additional insured which covers that person or organization as a named insured as described in Paragraph 3. above.
5. The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement under which you are required to include a person or

COMMERCIAL GENERAL LIABILITY

ganization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed, during the policy period and:

- a. After the signing and execution of the contract or agreement by you; and
- b. While that part of the contract or agreement is in effect.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Regardless of the provisions of paragraph a. and paragraph d. of this part **5. C. INCIDENTAL MEDICAL MALPRACTICE

1. The following replaces Paragraph **b.** of the definition of "occurrence" in the **DEFINITIONS** Section:

b. An act or omission committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to a person, unless you are in the business or occupation of providing professional health care services.

2. The following replaces the last paragraph of Paragraph **2.a.(1)** of **SECTION II – WHO IS AN INSURED**:

Unless you are in the business or occupation of providing professional health care services, Paragraphs **(1)(a), (b), (c)** and **(d)** above do not apply to "bodily injury" arising out of providing or failing to provide:

(a) "Incidental medical services" by any of your "employees" who is a nurse, nurse assistant, emergency medical technician or paramedic; or

a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or

b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph **4.b., Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

4140 - **TERMINATION AND RESIGNATION**

The employment of a classified staff member may, upon a majority vote of the Board of Education, be suspended and/or terminated for violation of Board policies and in accordance with the criteria and procedures set forth in the Ohio Revised Code.

It is the policy of the Board that classified staff who are not going to be rehired be given an opportunity to resign.

Notice of the Board's intention to terminate a classified staff member shall be given by regular mail with a certificate of mailing, electronic mail with proof of delivery, or other method with proof of delivery.

Any classified employee who fails to maintain a required license, certificate or permit throughout the term of employment will be immediately suspended without pay and such failure is grounds for termination.

A classified staff member under contract may resign by filing a written resignation with the Treasurer or the Superintendent at least thirty (30) days prior to the effective date of the resignation unless an earlier date is permitted by the Board.

Reporting Professional Misconduct

The Superintendent will file a report to the Ohio Department of Education, on forms provided by the Department for that purpose, matters of professional misconduct on the part of certain classified employees who are also licensed by the Ohio Department of Education (e.g., aides with a permit, paraprofessionals with a license, and those individuals who do not hold a valid educator's license but who are employed by the Board under a Student Activity Permit), in those specific circumstances set forth in State law and Policy 8141, including a conviction of the staff member of certain enumerated crimes and/or in conjunction with the non-renewal or termination of a licensed staff member, or resignation by a licensed staff member under threat of same and/or during the course of an investigation, for conduct which is determined to be unbecoming to the teaching profession. Reports of any investigation regarding whether or not a licensed classified staff member has committed an act or offense for which the Superintendent is required to make a report to the Ohio Department of Education shall be kept in the personnel file of the classified staff member. Should the Ohio Department of Education determine that the results of that investigation do not warrant initiating an action suspending, revoking, or otherwise limiting that classified employee's license or permit, the report(s) of any investigation will be moved to a separate public file.

8600.04 - BUS DRIVER CERTIFICATION

It is the policy of the Board of Education that all bus drivers obtain and hold proper certification under standards for school bus drivers established within the Ohio Revised Code. It is also the purpose of this Board to protect its students from drivers whose certification is invalidated by the Ohio Point Law or point standards of this District.

A copy of each new school bus driver's complete driving record must be obtained from the Ohio Department of Education and Workforce ("DEW") prior to allowing the school bus driver to operate a school bus or school vehicle for the first time. In accordance with State transportation regulations, the Superintendent shall request the administrator in charge of transportation to conduct at least a semi-annual review of each school bus driver's (i.e., current bus drivers and those newly hired bus drivers who remain employed with the Board) driving record through the DEW Ohio Department of Education to determine that such drivers have:

- A. no more than six (6) points within the last twenty-four (24) month period;
- B. not been convicted of driving while under the influence of alcohol and/or a controlled substance during the past ten (10) years (i.e., not been convicted of a violation of R.C. 4511.19) or a substantially equivalent municipal offense;
- C. not received two (2) (or more) of the following serious traffic violations as defined in R.C. 4506.01(II) during the last twenty-four (24) month period:
 1. a single charge of any speed in excess of the posted speed limit by fifteen (15) miles per hour or more;
 2. violation of R.C. 4511.20 (i.e., operation in willful or wanton disregard of the safety of persons or property) or R.C. 4511.201 (i.e., operation off street or highway in willful or wanton disregard of the safety of persons or property) or any similar ordinance or resolution, or of any similar law of another state or political subdivision of another state;
 3. violation of a law of this State or an ordinance or resolution relating to traffic control, other than a parking violation, or of any similar law of another state or political subdivision of another state, that results in a fatal accident;
 4. violation of R.C. 4506.03 (i.e., commercial driver's license or temporary instruction requirements) or a substantially similar municipal ordinance or county or township resolution, or of any similar law of another state or political subdivision of another state, that involves the operation of a commercial motor vehicle without a valid commercial driver's license with the proper class or endorsement for the specific vehicle group being operated for the passengers or type of cargo being transported;
 5. violation of R.C. 4506.03 (i.e., commercial driver's license or temporary instruction requirements) or a substantially similar municipal ordinance or county or township resolution, or of any similar law of another state or political subdivision of another state, that involves the operation of a commercial motor vehicle without a valid commercial driver's license being in the person's possession;
 6. violation of R.C. 4511.33 (i.e., driving in marked lanes) or R.C. 4511.34 (i.e., space between moving vehicles) or any municipal ordinance or county or township resolution substantially similar to either of those sections, or any substantially similar law of another state or political subdivision of another state;

7. violation while operating a commercial motor vehicle of a law of the state, any municipal ordinance, any county or township resolution, or any substantially similar law of another state or political subdivision of another state which prohibits texting while driving or using a handheld mobile device (except when a person is texting or using a mobile device to contact law enforcement or other emergency services);
8. violation of any other law of this State or ordinance or resolution relating to traffic control, other than a parking violation, that is determined to be a serious traffic violation by the United States Secretary of Transportation and the Director designates such by rule; and

D. no railroad crossing violations during the last twelve (12) months (as evidenced by a conviction, video, or report by a railroad official);

E. not received any violations that render the bus driver uninsurable by the District's Fleet Insurance Carrier.

The records obtained from the annual records check will be maintained for a minimum of ten (10) years.

A driver having any of the above-referenced violations will be disqualified from operating a bus. The driver will also be notified that the driver's/his/her school bus certification will be reviewed by the Superintendent and the driver's/his/her employment as a school bus driver may be terminated.

A driver involved in a preventable school bus accident, or judged guilty of a minor traffic violation, shall be subject to the disciplinary action established in the Superintendent's administrative guidelines. Further, no driver who is convicted of a traffic violation or has their/his/her commercial driver's license (CDL) suspended will be permitted to operate a school bus or school vehicle/van until the driver files a written notice of the conviction or suspension. Such written notice must be immediately filed with the Superintendent or administrator in charge of transportation, irrespective of whether the traffic violation occurred while operating a Board-owned vehicle or a private vehicle or during school or non-school hours. Failure to file the required written notice of conviction or suspension will result in the revocation of the driver's certificate and/or disciplinary action, up to and including termination.

If a school bus driver has an interruption in driving a school bus or school vehicle/van for a period of one (1) year or longer, the school bus driver/s/he will not be permitted to resume operating a school bus or school vehicle/van until a copy of the school bus driver's complete driving record has been obtained.

In addition to the required driving record check, the administrator in charge of transportation shall obtain a satisfactory BCII report prior to hiring an individual as a new school bus or school vehicle/van driver, along with an FBI background check (i.e., an FBI background check will also be required prior to hiring new employees). An updated, satisfactory criminal background check report shall be obtained for each school bus driver every six (6) years with driver re-certification. Each six (6) year criminal records check request shall be made to the Superintendent of the Bureau of Criminal Identification and Investigation/investigation and include both a BCII and FBI report unless both of the following conditions apply so that only records of the FBI are required:

A. a BCII report was obtained at the time of hire; and

B. the employee presents proof that the employee/s/he has been a resident of this state for the five (5) year/five-year period immediately prior to the date the recertification is requested.

Satisfactory shall be defined by the same standards applied to other public school employees. Such records shall also be maintained for a minimum of six (6) years (see Policy 4121 for criminal history record check requirements). Any driver who has been convicted of or pleaded guilty to any disqualifying offense shall not be hired or shall be released from employment unless the person meets the rehabilitation standards prescribed for non-licensed school employees.

No bus driver will be permitted to drive a school bus or school vehicle/van unless the bus driver/s/he meets all other requirements contained in the rules adopted by the DEW/Ohio Department of Education prescribing qualifications of drivers of school buses and other student transportation. In addition, no bus driver will be permitted to drive a school bus or school vehicle/van unless:

In addition, no bus driver will be permitted to drive a school bus or school van unless:

A. information pertaining to the bus driver has been submitted to the DEW/Ohio Department of Education, including the name of the Board, name of the bus driver, driver's/driver license number, date of birth, date of hire, status of physical evaluation and status of training; and

B. the most recent criminal records check, including information from the Federal Bureau of Investigation, has been completed and received by the Superintendent.

The Superintendent shall provide for an annual physical examination conforming to DEW/Ohio Department of Education standards to determine the driver's physical fitness for employment.

Drivers of school buses, vans, or other school vehicles, who are school buses or vans employed by entities other than the District and who are not subject to DEW rules, Ohio Department of Education rules must receive the certificate described by

R.C. 3327.10(B) from the school administrator to contractor prior to being employed. These drivers also must have an annual physical conforming to State Highway Patrol rules performed in accordance with R.C. 3327.10(B). Any bus driver not employed by the School District school district, who drives a bus or vehicle owned by the District District, must give satisfactory and sufficient bond.

8650 - TRANSPORTATION BY ~~VEHICLES OTHER THAN SCHOOL BUSES~~ SCHOOL VAN

It is the policy of the Board of Education shall provide transportation to students via Board owned and operated school vehicles other than school buses (hereinafter, "school vehicles") vans when the use of school buses is not reasonable. School vehicles vans shall only be used for the transportation of nine (9) or fewer passengers, not including the driver, in accordance with the original design and construction of the vehicle. Students shall not be transported in larger passenger vehicles vans (e.g., non-conforming extended van-type vehicles) carrying ten (10) passengers or more (particularly twelve (12) to fifteen (15) passenger vans).

Similar to school buses, school vehicles vans shall be purchased, housed, and maintained by the Board for the transportation of resident students between their home areas and the schools of the District to which the students are assigned or to their nonpublic or community schools. However, such use shall generally be limited to preschool children, special needs children, children inaccessible to school buses, and students placed in alternative schools, and children enrolled in nonpublic or community schools in certain circumstances. School vehicles vans may also be used to transport students to and from field trips and/or other Board-approved school-related activities.

The Board authorizes the use of a vehicle van designed to carry nine (9) passengers or less plus a driver instead of a school bus to transport students to a chartered nonpublic or community school if all of the following apply:

- A. the number of students in the vehicle does not exceed nine (9);
- B. the District regularly transports students to a chartered nonpublic or community school;
- C. the driver has a valid driver's license, is accustomed to driving the vehicle, and meets statutory and administrative requirements for a bus or motor van driver (with the exception of having a commercial driver's license);
- D. the driver may not stop on the roadway to load or unload passengers;
- E. the driver and all passengers are expected to comply with State laws regarding child and occupant restraint devices and safety while in the motor vehicle.

Individuals who meet statutory requirements to drive a school bus are qualified to drive school vehicles. Vehicles vans shall will be inspected not less than two (2) times each year by a qualified mechanic who will determine whether the vehicle van is safe to transport students.

Students who are transported by school vehicle van are expected to conduct themselves in the same manner required of students transported by school bus and shall be subject to all applicable disciplinary rules.

All school vehicle van drivers employed by the Board shall complete the required Ohio School Van Driver training program prior to transporting students, meet all other qualification requirements, and comply with the Ohio Pupil Transportation and Safety Rules and applicable Board policies and guidelines relative to student transportation. No individual shall be employed as a school vehicle van driver if the individual has not received a certificate certifying that the driver is at least twenty-one (21) years of age with a minimum of two (2) years of driving experience, and is qualified physically and otherwise (O.A.C. 3301-83-06(F)) for the position. Only authorized Board employees or contractors employed by an agency that provides services to the Board may operate and transport students via school vehicle van. Vehicle vandrivers do not need a commercial driver's license.

The Superintendent is responsible for developing and implementing the appropriate administrative guidelines for this policy.
