Health Requirements

Exact costs will vary depending on the student's insurance and previous immunization history. Often, health care employers will provide Mantoux, influenza and hepatitis B vaccinations free of charge for their employees.

Students who can provide documentation of having been previously vaccinated or an acceptable titer level demonstrating immunization do not need to repeat the vaccine. Official documentation from the county health department, employer, or the physician's office, etc. must accompany the Physical Health Form. Copies of lab titers must also be submitted.
