

HEALTH TECHNOLOGY

Health Technology is an exciting 2-year career-focused program that prepares students for a wide range of healthcare careers. In this program, students will develop essential patient care skills. Students will learn to perform a wide range of medical procedures in various healthcare careers, experience clinical instruction at healthcare facilities, and develop professional work ethics, medical skills, and patient/client care. Through hands-on training, real-world experiences, and work-based learning opportunities, students will be equipped with the knowledge and skills to thrive in the dynamic healthcare industry. Whether your passion lies in direct patient care, medical laboratory work, or administrative roles, the Health Technology program will provide you with a strong foundation to launch your career in the rapidly growing healthcare field.
